November 10, 2005

BRIDGE WORK WILL REQUIRE TEMPORARY CLOSURE OF LITTLE MOUNTAIN DRIVE IN SAN BERNARDINO

Work on the Little Mountain Drive bridge across the new State Route 210 is nearly complete. Construction crews will remove wood and steel false work from the bridge November 14 and 15, requiring the temporary closure of Little Mountain Drive. The street will be closed from 8 a.m. to 3 p.m. both days.

During the closure, motorists will be detoured from construction using 30th, Miramonte and 27th streets. Access will be maintained to the North Valley School – Eagle Valley Campus from Little Mountain Drive south of the bridge construction.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow for extra time when traveling through the construction area and follow all signs and detour routes.

Remember: Safety: It's no accident!
